

COMMON ABBREVIATIONS IN ADDITIVE MANUFACTURING

3DP

3D printing

AJP

aerosol jet printing

AM

additive
manufacturing

BAAM

big area additive
manufacturing

CLIP

continuous
liquid interface
production

DED

direct energy
deposition

DLP

direct light
processing

DMD

direct metal
deposition

DMLS

direct metal laser
sintering (=LBM)

DMP

direct metal
printing (= LBM)

EBAM

electron
beam additive
manufacturing

EBM

electron beam
melting

FDM

fused deposition
modeling

FFF

fused filament
fabrication

LBM

laser beam melting

LENS

laser engineered
net shaping

LOM

laminated object
manufacturing

PA

polyamide

SHS

selective heat
sintering

SLA

stereolithography

SLM

selective laser
melting (=LBM)

SLS

selective laser
sintering

UV

ultra violet

WAAM

wire arc additive
manufacturing
