

Optiwind O&M Event

17.12.2014

The consortium partners of Optiwind and their event partners OWI-Lab and Gen4Wave have the honour to invite you to their open projectmeeting. Three speakers will present their real life experiences with Operations & Maintenance of offshore renewable energy assets. O&M is also the leitmotiv within Optiwind. Please register (free) before 15/12 via <http://register.optiwind.be>
