

Acknowledge your progress

On a scale from 1 to 10 ...

Where 10 stand for: "The level of progress you dream to achieve with your reuse/upgrade/ ... concept."

And 1 stands for: "I do not even have a clue what progress could look like."

1 10

Where would you position yourself on this scale? _____

What helped you to achieve that progress already ? (Focus on what you already achieved)

What did you do ? _____

- What else? _____
- What else? _____
- What else? _____
- What else? _____

How did others contribute to this progress? _____

- What else? _____
- What else? _____
- What else? _____
- What else? _____

What else helped to advance in this area? _____

- What else? _____
- What else? _____
- What else? _____
- What else? _____

Search for people that are already engaged in with your idea, to whom you shared already some idea's.

They can answer the same questions as you did so far !

Share all things you have already been doing within this area that worked well.

Come up with 10 small things you can do right away to make progress in this area.
